

TIME-SENSITIVE STAT DELIVERIES

Since 1986 Excel Courier has understood there is no margin for error in healthcare logistics.

That's why we are dedicated to providing fast, reliable courier services 24/7/365 that cater to the unique needs of hospitals, laboratories, blood banks, infusion facilities, veterinarians, private practices, and logistics companies in the Mid-Atlantic.

We maintain the integrity of your specimens and align with your mission of improving lives.
